Woodrow Wilson

NINETEEN FIFTY-FIVE

PUBLISHED BY THE SENIOR CLASS OF THE
WOODROW WILSON HIGH SCHOOL
WASHINGTON, D. C.

Foreword

*"Honor and shame from no condition rise;
Act well your part, there all the honor lies."*

—POPE

We of Wilson have found that our school has given us a new concept of achievement. It is our feeling that a great opportunity has been offered us in attending Woodrow Wilson, where each individual finds for himself a special place in the pattern of daily school life.

Through our experiences here we have discovered that each of us plays a part in the functioning of the student body. Just as each individual relies upon the school for guidance and support, the school depends upon the individual for the spirit of willingness and cooperation which so typifies Wilson. Through participation in any of Wilson's activities, the student realizes that only by doing his part well can he attain success and reflect credit on his school.

Because Wilson has instilled in us the desire to do our part well, the Class of '55 wishes to express appreciation to our school.

Dedication

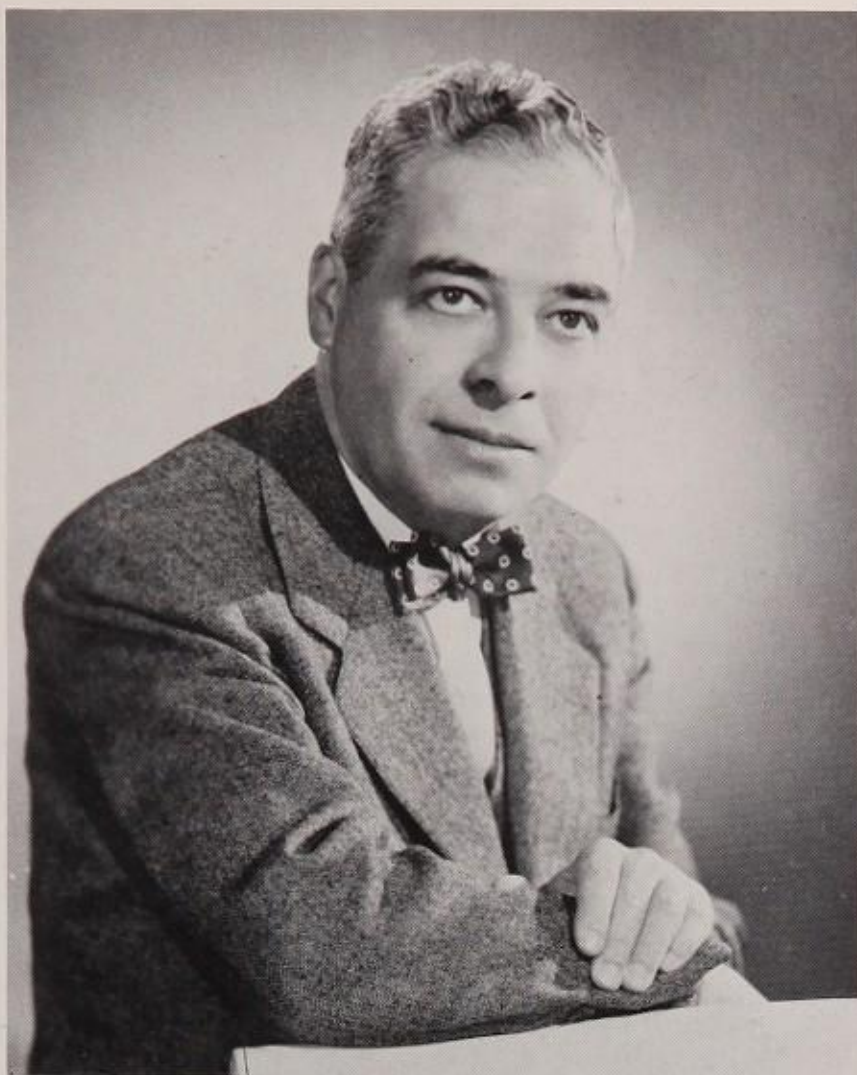

TO THE WILSON FACULTY

We, the Class of 1955, dedicate our yearbook to the Faculty in appreciation of the guidance which they have given us since our entrance into Wilson. They have not only aided us in making important decisions and assisted us in our studies, but have made possible the existence of our many extra-curricular activities. Had it not been for their willingness to devote valuable time and energy to these activities, there would be no yearbook, no varsity sports, no stage productions, nor any of the many other pleasures which we enjoy.

For all these things, we wish to thank them.

The Junior Class

The Junior Class has been very active and successful in many school organizations and activities this year.

To lead the Tiger Rooters at Wilson games were Rosina Orr, Kate Storey, and Judy Purnell. Another busy girl is Robin Ewing who has worked hard as president of the Red Cross Council.

There are boys on the varsities of all sports: Don Klimkiewicz in football, Lou Luce in basketball, Dick Tash in baseball, John Bish in track. Holding high ranks in Cadets are Dick Buynitzky and Charles Gray.

Nancy Sapir and Pete Sommer were chosen Duke and Duchess of the Country Fair. Junior leaders in the Student Council this year have been Peter Barash, Judy Purnell, Serge Olive, Betsy Mills, and Paula Diashyn.

Lee Creamer, Frank Eliot, and Norma Bumgarner took parts in the operetta. With such interest as shown by Rowena Stanley, Mimi Monroe, and Janet Glenn, the girls' sports program will have fine leadership next year.

It is evident that the Class of '56 will be an outstanding one.

The Sophomore Class

During the last year, the Sophomore Class has contributed much to life at Wilson. Those active on the Student Council were Frank Ackerman, Peter Barash, Brian Birthright, and Paul Oscar, while Deborah Brown, Wendie Burke, Jane Chromis, and Kirsten Peterson held up the female end. Dick Tash starred in football as did Neil Norman and Mike Glaser.

Holding up our high academic standards were David Riggs and Janet Dortzback. Steve Senturia promises to be an outstanding musician.

With all this budding talent, the Class of '57 looks forward to a successful future at Wilson.

Woodrow Wilson '55

Throughout the year, members of the Yearbook Staff have worked steadily toward making the Woodrow Wilson '55 a perfect and complete reminder of this memorable year at Wilson. We trust that it will be treasured by future leaders and loyal citizens as a book which brings back some of the happiest years of their lives—their years at Woodrow Wilson.

Cadet Rifle Team

After an exceedingly successful season last year, in which the Wilson Cadet Rifle Team won the Inter-High championship, the team is looking forward to an even more successful time this year. At the time of this writing, the team has won its matches with Coolidge, Roosevelt, Western, and Armstrong. In the Hearst Trophy Match, Wilson was the highest District Public High School. One member of the team, L. A. Foxworth, now Battalion Adjutant, last year won the Distinguished Non-Commissioned Officer Award of the Division 1-9 High Schools. This was the fourth time in five years that a Wilson Cadet has won this award.

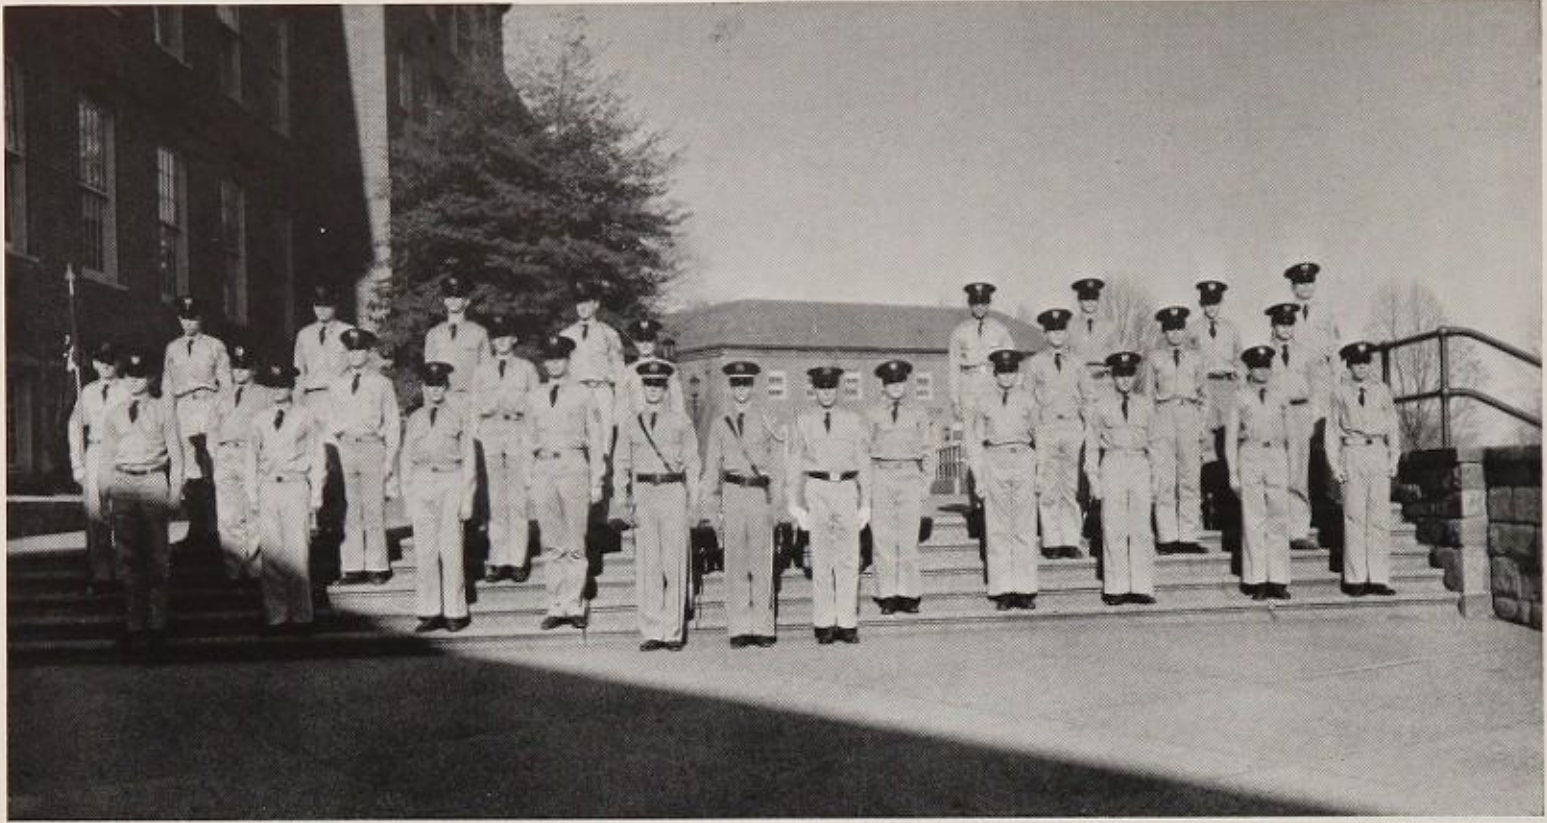

Drill Team

The Drill Team, commanded by Master Sergeant Kenneth Roseman, consists of thirteen men who put in many hours of extra drill mastering intricate rifle and marching movements. They perform before the Cadets' Parents' Association several times during the year, and before the student body on May Day. On May Day they act as the Honor Guard when the Queen's Escort is changed.

Map Reading Team

The Map Team is made up of five men and one alternate selected from the map reading class by an achievement test. The team is instructed by Captain William Sihler. Last year the team won first place in the city wide map competitions and hopes to continue its good record this year.

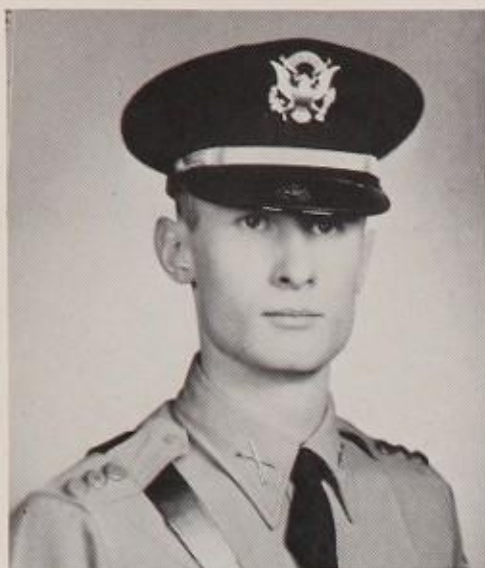

Company "B"

I feel that my association with B Company has been very profitable for me. In an unsettled year, my officers and I have received excellent cooperation. I am deeply grateful, especially to my non-coms, for the assistance that has been given me in training the company. To those who follow in the years to come I wish the best of luck, and hope that their efforts may be as well rewarded as mine have been.

Company "C"

Having commanded C Company for a year during trying times, I am very pleased with its performance. I feel that through our association, we have both developed, and have become one of the best companies there has ever been in the 6th Regiment. Both the non-coms and the men have co-operated with the other officers and me very well, and no one could have asked more. All in all, I have enjoyed this year, and hope that the company has profited from it. To my successors, I give my best wishes and hopes for successful years to come.

Varsity Football

The Green and White grid squad, under the skillful guidance of their new coach, Pete Labukas, enjoyed a highly successful season. The Tigers entered the Interhigh play-off, losing to the strong Anacostia team which they had previously beaten. Although the team was hampered at the outset by injuries to Jim Sapir and Lou Luce, the squad showed fine spirit and teamwork throughout the entire season, playing every game as if it were for the championship. Bob Rogers, Pete Sommer, Lou Luce and Rusty and Ricky Cook were consistent ground gainers. The line, one of the lightest in the city, did its share in making the team go. Linesmen Mike Hixson, Don Klemkiewicz, Leland Phillips, Don McMurray, Dick Tash, and Charles McGrady were standouts and did exceptionally well against such powerhouses as St. John's and Roosevelt. John Webster starred at end all season and was helped by Jay Junt and Don Grant. All in all, the team did much better than the experts had forecast and brought Wilsonites an exciting season.

First row, left to right: John Webster, Mike Hixson, Charles McGrady, Don Clark, Rusty Cook, Dave Atkinson, George Diamond, Coach "Doc" Collins.

J. V. Football

A string of defeats during the 1954 season failed to dampen the enthusiasm and fighting spirit of the Jayvee football squad. Although they dropped five straight games the boys showed distinct improvement towards the end of the season which would seem to indicate that Coach Pete Labukas would have some good material to work with for his varsity squad next fall.

Among the best prospects for 1955 are linemen John Parks, John Warren, Rick Oliver, Chris Stanat, Randy Barry, Robert Kolker, and backs Mel Feldman, Neil Norman and John Moran.

The primary purpose of the J.V. training is to give the boys the experience they need in scrimmaging and to give the coaches an opportunity to spot varsity prospects. Every candidate gets a chance to show what he can do in organized teamplay. For most it is their first Interhigh competition.

Varsity Basketball

The New York Yankees ended their winning streak last season, and so did Wilson's basketball team. The team never quite recovered from setbacks received early in the year at the hands of Roosevelt and Coolidge, and wound up with an overall record of six wins and seven losses . . . Unfortunately they were able to grab only two of their six Interhigh games.

The competition this season was stiffer than ever as a result of the integrated program which brought Dunbar and Cardozo into the schedule.

Lou Luce set the pace with a 21 point Interhigh average, the second highest in the city. Angus Muir and Jim Vesper were the only two seniors on the starting five. The rest of the team consisted of juniors Pete Abbott and Bill Bues. Also seeing action were John Webster, Dick Thomas, Pete Sommer, and Dick Tash.

First row, left to right: Richard Libby (Mgr.), Brian Usilaner, Ziggy Chelec, Neil Norman, Bart Richwine, Steve Linkins, John Parks.

Second row, left to right: Chris Stanat, Manual Kaculis, Toby Tobriner, John Warren, Mike Glaser, Coach Sam Feller.

J. V. Basketball

The Junior Varsity Basketball squad, although it won only two of its seven games, nevertheless competed in several hard fought battles this season.

Neil Norman led the team with a 15 point average while Mike Glaser and John Warren were also standouts.

The season went as follows: The little Tigers beat G. W. High Frosh, 35-28, and then lost to Coolidge, 38-35, and McKinley, 46-45, in overtime. They bounced back to beat St. Albans, 55-49, but lost the last three to Landon, 37-33, Falls Church, 41-38, and Western, 44-37.

First row, left to right: Ass't Coach Pete Labukas, Don Grant, Dave Marks, Bob Smith, Don McMurray, Bob Rogers, Don Booth, Mike Hixson, Mark Farley, John Moss, Ken Pierce, John Mahoney, Joe Shipley, John Smith, Bob Wolffe, Tony Mott, Chris Stone, Coach "Doc" Collins. *Second row, left to right:* Dick Oliver, Tommy Riggs, Eddie Eaton, Tommy Whayne, Rick Newton, Bryon Usilaner, Lee Freeman, Ernie Rhodes, Serge Olive, Eric Mendelsohn, John Wilson, Jeff McAnally, Matt Sterling, Mark Diashyn, Eddie Brown, Tom Paulson, Mike Nathan, Rick Cook. *Third row, left to right:* Mike Mattingly, Henry Shouse, George Behling, Jerry Lee, Rich Hutchinson, Dave Wilson, Rusty Cook, Tom Bresnahan, Pete Sommer, John Bish, Bob Hahn, Fritz Klein, Bailey Yaeger, Leland Phillips, John Parks, Bob Russell, Mgr. Fred Ayoub, Mgr. John Cooper. *Fourth row, left to right:* Dave McCollough, Huntly Baldwin, Wayne Jefferson, William Nally, Mark Stevens, Ronny Torrence, Dave Doughlin, John Prothro, James Martin, Allan Frankhouser, Arthur Pomerantz, Hans Zassenhaus, Bob McFarland, John Middleton, Dick Morrow, Bob Erdahl, Gregg McIver, Mgr. Joe Shipley. *Fifth row, left to right:* Bob McCaulay, Chris Stanat, Mike Miles, Ned Brookhart, Charles Bowers, Bill Stafford, John Murray.

Track

Although they had an excellent team, Wilson's chances for the Interhigh track title were slimmer than in recent years, due mostly to the addition of Cardoza to the league. The Tigers placed second with 40½ points to Cardoza's 79½ points in the Western Division Championships on May 11. Only those boys who won points in this meet represented the school in the Interhigh Championships on May 25 and 26 against the Eastern Division. Thus, Cardoza, with more boys getting into the final meet, had more of a chance of winning the Interhigh crown.

Nevertheless, the Tigers had a very successful season, winning all their triangular meets with ease. Rusty Cook, with 9½ points in the Western Division Championships, running the 100 and 330 yard dashes and on the 880 yard relay team, was the most essential member of the squad. Other outstanding boys on this year's team were John Wilson, mile; Mark Farley, 880; Mike Hixson, 440; Rick Cook, high and low hurdles; John Moss, pole vault; Leland Phillips, discus; and John Parks, shot put. Coach "Doc" Collins, along with his assistant Coach Pete Labukas, should be given much credit for doing another excellent job this season.

Standing, left to right: Mgr. Jim Nalls, Pete Abbott, Jim Eichberg, Dick Tash, Don Klimkiewicz, Lou Luce, Jerry Goldberg, Ken Luchs, Mgr. Carl Carter, Coach Sherman Rees.

Baseball

Under the direction of coach Sherman Rees, the baseball squad started the season with its usual bang, trouncing non-league and practice opponents before dropping their first league clash to Roosevelt. But the team settled down, bouncing back to beat Coolidge and Bell.

This looks like one of the best ball teams in Tiger history, one reason being that most of last year's squad is back. Wilson has two excellent pitchers in George Bickerton, returning for his third year, and Junior Jim Eichberg, whose greatest effort to date has been a no-hit, 19 strike out affair over Landon. The infield of Dick Tash at third, Pete Abbott at short, John Webster covering second, and Lou Luce at first, is a hitting as well as fielding group. Patrolling the outfield are Rick Barth, Sam Ligon, John Monroe, and Don Clark.

Golf

Continuing their winning ways in downing early season competition, the golfers are well on their way to their fourth straight Interhigh crown. Although losing to B.C.C., 6-3, the team did much better than expectations against the strongest golf squad in the city.

John Dunn, returning for his third year, and Warren Krick set the pace with the rest of the team composed of Marvin Singman, Steve Friedlander, Joel Epstein, and Tony Blau.

Second row, left to right: Bob Thore, John Howe, David Lowenstein, Coach Sam Feller.

Tennis

Hoping for its sixth straight Interhigh title, the tennis squad had a little trouble against early, non-league competition, but fared well in Interhigh play. Sophomore Martin Rubinowitz captured the Number One spot on the team with Bob Thore, Bob Anderson, Paul Blackburn, Dave Gichner, and Bob Grafton rounding out the rest of the squad. Keen competition is expected from Coolidge and Western who boast much better squads than in previous years.

First row, left to right: Barbara Fitz, Marcia Dornin, Mary Ann Else, Carole Yates, Cacky Davies (Capt.), Ellie Berger.

Second row, left to right: Virginia Gray (Mgr.), Margot Dornin, Diane Divers, Anne Wood.

Back row, left to right: Val Johnson, Sue Poulton, Jana Hruska.

Field Hockey

Although there was close competition between the eleven teams which battled on the hockey fields last fall, Monie Mulvey spurred her team enough ahead of Sara Ellen Barton's to win the championship. Virginia Gray, assisted by Janet Glenn, managed both the tournament and the extramural game in which we barely beat Coolidge. Miss Barnett was the adviser.

BADMINTON DOUBLES

Left to right: Mimi Munroe (Asst. Mgr.), Mary Bailey and Val Johnson (Winners), Carol McCord and Monie Mulvey (Runners up), Rowena Stanley (Mgr.).

BADMINTON SINGLES

TENNIS

Left to right: Peggy Reeves (Asst. Mgr.), Pat Hubbard (Runner up), Carol McCord (Winner), Susan Dawson (Mgr.).

Badminton

Eighty-two girls participated in the Badminton Singles Tournament which was directed by Mrs. Rogers. Manager Rowena Stanley, assisted by Mimi Munroe, her assistant manager, ably supervised the competition. Pat Hubbard won the championship, while Mimi Munroe held the number two position.

Val Johnson and Mary Bailey won a hard battle from Monie Mulvey and Carol McCord to secure the doubles championship. Twenty-four pairs tried for this title.

Tennis

Carol McCord won the Tennis Singles Championship last fall for the third consecutive year, with Pat Hubbard finishing a close second. Twenty girls participated in the matches which were played on local courts. The tournament was supervised by Manager Susan Dawson and Mrs. Steis. The Spring Doubles Tournament which gets under way in April is managed by Peggy Reeves.

WINNING BASKETBALL TEAM

Front row, left to right: Peggy McShane, Cacky Davies, Carol McCord, Sara Ellen Barton, Margot Dornin, Mary Ann Else, Pat McShane (Captain), Monie Mulvey, Beth Schlosser, Marcia Dornin, Val Johnson, Pat Hubbard.

Back row: Kathy Sellers, Beth Oliver, Nancy Grubbs, Pat Hubbard, Jean Cowling, Sara Hill, Suzanne Stafford, Mary Wilson.

Basketball

Pat McShane's team set the pace on the basketball court during the past year, with Janet Glenn's team close behind. The tournament, under Mrs. Hedge's direction, was controlled by Mimi Munroe, Manager, and Nancy Grubbs, Assistant Manager. Because basketball is a favorite sport of Wilson girls, fifteen teams competed.

Second row, left to right: Mimi Munroe, Jana Hruska, Pat McShane, Peggy McShane, Sue Poulton.

Volleyball

Joanne Carroll's team won the volleyball championship last season, while Mimi Munroe's team ran in second place. The successful tournament, which consisted of eleven teams, was well managed by Sara Hill with Peggy Ellickson as Assistant Manager. We owe thanks to Miss Linder for her direction this year.

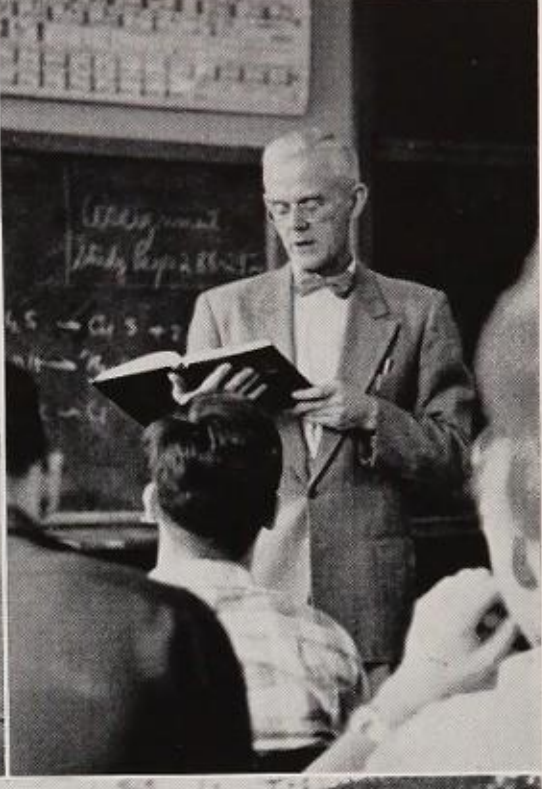

Softball

The softball intramurals this year were composed of eight teams. The captains of which were Pat McShane, Barbara Dane, Nancy Grubbs, Barbara Meader, Somy Golden, Carol Hanke, Mary Curtin, and Elaine Emerson. We thank Mrs. Hedge and Mrs. Haide for supervising us and give special credit to Janet Glenn, manager, and Barbara Dane, assistant manager, for helping us to have a successful season, although the turn out was small.

Archery

Archery, the only sport open to both boys and girls, gets under way early in the spring. The participants meet in back of school in the ravine at three o'clock to shoot at the many targets which are placed there. Later on in the year, top scorers from Wilson participate in the Western Archery Meet. The sport is managed by Jean Cowling.
